

PESC – RESPIN

Joint Meeting Programme

10th–13th March 2025

Residence Palace, Brussels, Belgium

The Pan-European stakeholder consultation (PESC) for IPBES from the ECA Network and the European project RESPIN joint meeting will provide opportunities for:

- Networking and exchange among stakeholders in the field of biodiversity and climate change, in the Europe and Central Asia region.
- Promoting stakeholders' engagement in IPBES and IPCC processes.
- Strengthening collaboration on biodiversity and climate research at the pan-European level.

Expected outputs

- Better understanding of IPBES and IPCC processes and opportunities.
- Shared experience and strategies on contributing to the IPBES and IPCC processes.
- Knowledge exchange regarding interlinkages of biodiversity and climate change, information on capacity building opportunities for knowledge holders and forms of engagement.
